

Course Description:

All basic dialogs and drills are in transliteration.

Major topics covered in the course are greetings; courtesy expressions; geography; counting; telling time; food; clothing; shopping; banking; travel; weather; health; professions; and personal, family, and home life.

Focus is on colloquial Levantine Arabic of a general social nature.

Level 1: Knowledge of Arabic is sufficient to communicate in a very limited way, with the simplest oral and listening tasks and situations.

Level 2: At this level, the users have a basic command of the language needed in a limited range of simple, routine, and familiar tasks and situations.

Level 3: Users can handle most uncomplicated communicative tasks and routine social and work situations. They can follow the general meaning of a conversation about familiar subjects.

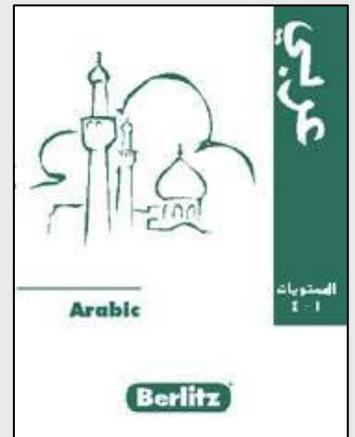

Level 4: At this level, users are able to refashion and combine learned material to meet their immediate communication and learning needs. They are able to comprehend information on familiar topics in contextualized settings and produce sustained conversation with others on an expanding variety of general topics.

Arabic Intermediate II Proficiency Levels 6

الكتاب الأساسي الأول

Course Description:

This course covers daily life situations through using the classical Arabic language communication. The user will learn to deal with those situations orally (like buying, selling, asking for directions, hotel reservations, flight scheduling...etc.) or in writing (like filling in forms, contracts, reading the newspaper...etc.)

The course focuses on listening, speaking, reading and writing.

The first part of the book covers the intonation of the Arabic alphabet.

The Major topics covered in the second part of the course are: greetings; flight reservations; hotel reservations; ordering a meal; banking; general communication with people; shopping; reading a newspaper; searching for an apartment; signing a contract; at the police station; at the doctor; on the road; at the post office; family; time; the four seasons; months; Arabic countries and their capitals.

The users learn the nouns, verbs and prepositions necessary to form the sentences in all the above-mentioned situations.

Who is it for?

This product is for people who want to:

- Enrich their classical words vocabulary
- Learn essential grammar
- Be able to understand and form sentences.
